---

Guitar model: **ZR Scarab - fretless**

## Personal details

First name

Last name

Address

Name required on the ownership certificate

E-mail

Contact phone number

Delivery option

*Delivery cost is included in total price. If personal collection is preferred then total price is reduced. If delivery is required then hard case is included in total price.*

## Dimensions

*Scarab guitar has a small body. The guitar neck push down the strap when playing in standing position. The extended horn moves the weight center forward so the guitar sits better on the shoulder.*

Body shape

Left/Right hand	right
	left

Scale length:

Nut width:

Fingerboard radius:

Marks of fret positions on the fingerboard edge	yes
	no

## Components

Tuners color

Strap pins

*Strap pins and jack socket will match the color of tuners.*

Nut material

Strings

Neck pickup

*Slash signature Alnico II Pro is a single conductor pickup. It doesn't allow coil split.*

Bridge pickup

additional wiring option (push/pull switches on tone potentiometers)	split coils on the neck pickup
	split coils on the bridge pickup
